IMAGINE A PUPPY

I am surrounded by puppies at the moment. My son has a ten week old golden retriever pup who is adorable.

And I've just come back from Kangaroo Island where I was staying with a very cute 10 month old poodle pup.

Do you have a dog? Maybe you even have a puppy too.

Well, I thought I'd show you a very simple way to draw a puppy. You can put a little jacket on him/her if the weather in your part of Australia is chilly as it is where I live. If you want to draw an older dog all you have to do is make the legs a little longer.

Happy puppy drawing!
