

JANUARY JUMPS and off we go!
FEBRUARY FLIES so high and low

MARCH MARCHES with a drum
APRIL ASKS "Can I have some?"

MAY MIXES in a pot
JUNE JIGGLES on the spot

JULY JUGGLES balls in the air
AUGUST AMBLES everywhere

SEPTEMBER STRIDES across the floor
OCTOBER OPENS up the door

NOVEMBER NODS without a sound
DECEMBER DANCES round and round

And round and round and round and then -

JANUARY JUMPS!
 All over again
