## IMAGINE A PET

Sometimes it is fun to think of your imagination a bit like a jig-saw puzzle. You come up with different pieces, then your imagination puts them together. What you create could be familiar or it could be something crazy and new.

Let's give it a go.

**Write** a description of a pet without saying what kind it is. Don't name it as a dog or cat or bird etc. This is a good exercise to help sharpen your writing skills.

**Draw** an imaginary pet. Make your pet as crazy as you like. It could have a gecko's head, a pig's body and chicken legs. Give your imaginary pet a name and a superpower.

Happy writing and drawing!
